

the springs

The Springs. New homes, new friends, new beginnings.

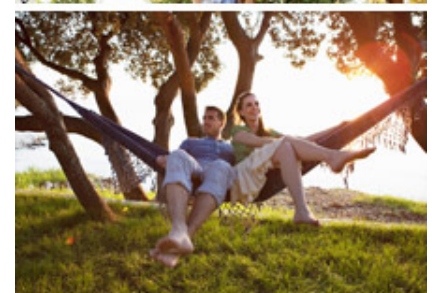

- Only 3 land lots remain in the current stage at The Springs - don't miss out!
- Register your interest today for the new stage release - Greenview, with land starting from \$178,000.
- Home and Land package options also available, speak to us today.

Every aspect of this superbly masterplanned community inspires, from the considered architectural design of its existing homes to the landscaping of its streets with an emphasis on environmental sustainability. Offering the ultimate freedom of choice, The Springs presents a collection of well-designed level land options and a selection of architecturally designed home and land packages. Discover new homes, new friends and new beginnings at The Springs.

A place with it all:

- A diverse range of home and land allotments
- A vision for a boutique estate of approx 280 residences on completion
- Backs onto 4.5 hectares of natural parkland and waterways
- Dedicated kick and throw areas, BBQ facilities, shaded picnic areas & children's playground equipment
- 2.7km of pedestrian/cycle paths
- Retained vegetation and enhanced landscaping
- Sustainable living design principles applied, both to the estate masterplan and individual home designs
