Free Stamp Duty for the next 4 homes sold!!!

If you want to live in a brand new townhouse, without going through the building process, you'll love Santorini Square in Jindowie, Yanchep. Inspired by the Mediterranean, these 17 single storey and 22 double storey homes feature modern exteriors, punctuated with accents of bold colour. And for a limited time, Australand will pay the Stamp Duty on the next 4 homes sold!

The holiday starts the moment you move in. These two and three bedroom homes come fully finished with quality floor coverings, European stainless steel appliances and landscaped courtyards.

Santorini Square takes into account our Mediterranean-like climate and incorporates sustainable design principles like cross ventilation, overhanging eaves and solar passive orientation where possible. This development uses cutting edge materials, earning these homes between a 6.0 and 8.5 star housing energy rating, reducing the need for heating & cooling, lowering electricity bills and your carbon emissions.

Santorini Square overlooks beautiful landscaped parkland, and is just minutes from pristine Yanchep Lagoon, Yanchep National Park and Sun City Golf Course. With Australand having done all the hard work, all you need to do is move in and start working on your tan or golf swing. Life will be easy with the new, soon to be opened, Yanchep Central Shopping Centre within walking distance of your new home!

But you'd better hurry! With homes priced from just \$349,000, this offer won't last long!
